Today was my school's Open Day. I went to the library. When I was finding books. I heard a voice from a corner. I found a box, it was flashing, I opened the box sacredly. It was a time capsule! I found a paper. It wrote, 'From 1958', I was shocked.

Suddenly, Mary Peter, David and Kelly got into the library Mary asked, 'Candace? What is this on your hand?' I replied, 'This is a time capsule from 1958. I found this in that box!' They were terrified. Peter said, 'Should we open it?' We all said, 'Yes! Let's open it all together!'

Then, we opened the time capsule carefully. I found 40 letters. We took them out. Peter spoke out the content loudly, 'To year 2073 students, I am Lily from 1958. I want to tell you that our school is a rooftop school. We need to climb the 7th floor to get to our classroom. It's very hot in summer! There is no lift. Will our school have lifts 65 years later? Do you have a lot of homework? We don't have much homework. What do you play at recess? We play climbing frame at recess. We are happy at school!'

Next, Kelly spoke out the next letter. 'Hello, I am Candy from 1958. I am a primary one student. I put some toys and stationery in the time capsule! You can see some spinning top toys, tin toys and copy books in it. What do you guys play now? Will your teachers force you to do the copy book? I don't really like to do this homework. Please keep this secret for me! Haha!'

Suddenly our headmaster Ms.Wong came in and said, ‘What are you doing students? We were scared.’ David and I said, "Eh... Ms. Wong, we found a time capsule just now. We found 40 letters and some toys inside it .The letters were written by students in 1958. After that, the headmaster said, ‘Let's go to my principal room. Let me tell you all about the time capsule story!’ We all replied, Yay!’Finally, the mystery is finally solved.
