Last year's Halloween was my school's Open Day, so I went to school with my friends Jayden, Isabel, and Ella. It was an adventurous day for us. Why? Because we accidentally discovered a wooden box (a time capsule). I was very excited and couldn't wait to open it. After I opened the box, we saw a map inside, and on it was written 'My Funny School Year 1958' on the top of the map.

We followed the route on the map at once. First, we went to the library, and the box was shaking suddenly. Isabel opened the mysterious box. A book with wings was coming out swiftly and laid down on my hand gently. Jayden asked, 'Who is this person? Have I met him before?' Ella said, 'Wow! I know. He's our headmaster, isn't he?' We all felt surprised. Our headmaster was a smart and sporty team leader when he was young.

Next, we passed through a long, dark, and narrow corridor, where we saw a room and some bright light was shining out the keyhole. I opened the door immediately. The light disappeared. There were some tables and lots of documents on them. Isabel asked, 'Where is it? It isn't our classroom,' Ella said, 'It's a teacher's room. The documents are students' exam papers. Haha... The questions are very difficult. Luckily, I don't need to do it.' We all laughed at her.

Then we went to the playground. After we reached the center of the playground, we all followed the map's instruction and started to recite a spell, 'Happy! Happy! Very Happy! Happy Birthday to my school!' and everybody clapped loudly. Suddenly, there were many lovely dolls like kittens, puppies, bears and racoons...dancing around us. We started playing with them altogether. A few hours later, all the dolls disappeared and you could hear a needle fall down on the floor. Our adventure ended here too in silence.

I'm glad to know more about my school's history and environment in the past. The time capsule is so

good. Let me have a great adventure and a wonderful day. After this experience, I also want to make a time capsule. I hope students in the future will know more about this school too.
